

# DEAR NEIGHBOUR,

*Does something not seem quite right about this whole pandemic?*

*Did you know there are more than 1000 medical doctors around Australia with an alternative view point?*

[Check out Covid Medical Network Australia](#)

"We are a group of senior medical doctors and health professionals.....Many Australian doctors and other health professionals consider the lockdown measures to be disproportionate, not scientifically based, and the cause of widespread suffering"

**Here is what they have to say on Masks:** "A July 2020 Department of Health (DOH) document states wearing cloth masks is associated with significant increased risk of contracting a viral respiratory infection. "
