

VIC STATE OF EMERGENCY ENDS DEC 15TH

If the SOE is allowed to expire, all COVID restrictions will end.
This relates to vaccine mandates, masks etc!

**HOWEVER, DANIEL ANDREWS IS PROPOSING
NEW LEGISLATION THAT WILL GIVE HIM
PERMANENT PANDEMIC POWERS.
WE NEED TO STOP IT!!**

WHAT CAN WE DO?

It's time to contact all Labor Upper House MPs.

You may be thinking...*'why bother with the labor MPs, they are on Daniel Andrew's side?'* Well, maybe not. They are humans and they've suffered under his leadership just like we have. They have families and hopefully will realise what this legislation will mean for their kids' futures!

Labor MP's, Please scan the QR code below**

**YOU WONT REGRET TRYING, BUT YOU WILL REGRET NOT TRYING.
